WORLDBEX PHILIPPINES 2017

Overview

For more than a decade, WORLDBEX or the Philippine World Building and Construction Exposition has been a haven for the local and international building and construction industry, supported by acknowledged sectors of society and a visitor profile of more than 150, 000 per year, it is dubbed to be Asia’s most attended construction exposition.

WORLDBEX holds a good number of global ties with countries such as Austria, Australia, Belgium, Brunei, China, Finland, Hongkong and Germany to name a few of the 25 participating countries, it is an ideal venue for business transactions and introduction of innovations.

WORLDBEX is known for putting together over 500 exhibiting companies and more than a thousand booths in a Wi-Fi ready exhibit area of 30,000sqm ranging from building materials equipment services, construction design and development, for lining up the country’s best architects and interior designers, plus the leading manufacturers and furniture exporters, for showcasing the top colleges and universities in interschool interior design competition and for bringing in the biggest names in the local and international building and construction scene for seminars.
